Have you enclosed:-

- b) any application fee due under Appendix D of our Rule Book?
- c) an application for membership. Please note that members are entitled to arbitration without payment of an application fee provided the contract under dispute was made before the date of membership. Applicants, who apply for membership at the same time as requesting use of the Association's arbitration facilities, will pay a combined fee, which is less than the application fee for arbitration (£3,450), without the benefits of membership. You can download a membership application form from our website.
